As a non-profit organization, Lehigh Valley Zoo is eleven years young, but as a treasured community landmark, our history spans over a century. Lehigh Valley Zoo, located in the heart of the Trexler Nature Preserve, is home to more than 325 animal ambassadors representing over 125 species. The Zoo's animal collection includes 22 species collectively managed through a Species Survival Plan®, or SSP, administered by the Association of Zoos and Aquariums (AZA). As a means to share important conservation messaging with Zoo guests and contribute to field conservation, the Zoo contributes to, participates in, and initiates wildlife conservation programs at home and in the field. The Zoo's full-circle conservation projects spotlight the Eastern Spadefoot Toad and Spotted Turtle (local), Mexican Gray Wolf (national), and African Penguin (international).

Accredited by the Association of Zoos and Aquariums (AZA), the Zoo hosts year-round family-friendly events and activities, educational programs, and camps. During calendar year, attendance reached over 175,000. Lehigh Valley Zoo is proud to be listed as an educational improvement organization under the Educational Improvement Tax Credit Program (EITC). Open year-round, the Zoo was voted Best Family Day Trip in The Morning Call's Readers' Choice Awards 2009-2014 and Best Family-Friendly Outing in Lehigh Valley Style's Best of the Lehigh Valley 2014 and 2015!
