Zoo News

Lehigh Valley Zoo Becomes New Home to Rescued Bald Eagle

Lehigh Valley Zoo's resident golden eagle recently welcomed a new roommate as a young bald eagle joined her in the Zoo's North American section. This bald eagle—like many of the Zoo's raptors—comes to the Zoo from licensed rehabilitators. It was originally taken in by the Dickerson Park Zoo in Springfield, Missouri, where veterinarians diagnosed it with a fractured elbow. It was successfully nursed back to health but the injury was so severe it was unable to fly. Unflighted, it would be unable to hunt, making survival in the wild impossible. In such cases zoos can provide a safe, permanent home where medical and nutritional needs can be properly met. For the full press release, click [here](#).

Capital Campaign 2016

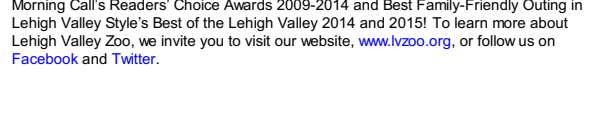

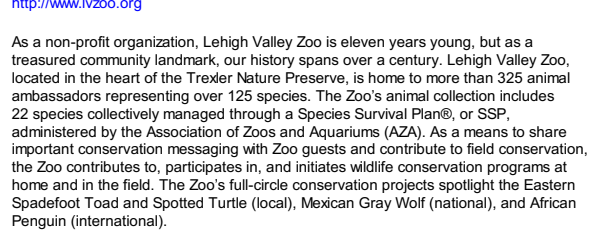

Adopt a Giraffe for Lehigh Valley Health Network's Children's Hospital!

Lehigh Valley Health Network has partnered with the Children's Hospital at the Lehigh Valley Health Network to sell "ADOPT A Giraffes" that benefit our community's sick children. You can sponsor three children for \$90 or sponsor five children for \$150. The "ADOPT A Giraffe," which includes a plush giraffe, one child's Zoo pass and a Zoo campaign sticker, will go to a child upon release from the Children's Surgery Center and the funds will support the Zoo's Capital Campaign to bring giraffe to the Zoo in 2016.

If you are interested in sponsoring a child, contact Doreen Carl, Development Manager, at the Lehigh Valley Zoo. Email at dcarl@lvzoo.org, or call 610-799-4171, ext. 232.

As a non-profit organization, Lehigh Valley Zoo is eleven years young, but as a treasured community landmark, our history spans over a century. Lehigh Valley Zoo, located in the heart of the Trexler Nature Preserve, is home to more than 325 animal ambassadors representing over 125 species. The Zoo's animal collection includes 22 species collectively managed through a Species Survival Plan®, or SSP, administered by the Association of Zoos and Aquariums (AZA). As a means to share important conservation messaging with Zoo guests and contribute to field conservation, the Zoo contributes to, participates in, and initiates wildlife conservation programs at home and in the field. The Zoo's full-circle conservation projects spotlight the Eastern Spadefoot Toad and Spotted Turtle (local), Mexican Gray Wolf (national), and African Penguin (international).

Accredited by the Association of Zoos and Aquariums (AZA), the Zoo hosts year-round family-friendly events and activities, educational programs, and camps. During calendar year, attendance reached over 175,000. Lehigh Valley Zoo is proud to be listed as an educational improvement organization under the Educational Improvement Tax Credit Program (EITC). Open year-round, the Zoo was voted Best Family Day Trip in The Morning Call's Readers' Choice Awards 2009-2014 and Best Family-Friendly Outing in Lehigh Valley Style's Best of the Lehigh Valley 2014 and 2015!
