THE ZOO AS A *partner*

Lehigh Valley Zoo is a trusted community institution and one of the region's most visited family destinations. Located within the scenic Trexler Nature Preserve in Schnecksville, Pennsylvania, the 29-acre Zoo is home to more than 240 ambassador animals representing over 120 species and welcomes guests year-round. In 2025, more than 225,000 visitors experienced the Zoo, making it a vibrant hub for families, educators, and community leaders.

Lehigh Valley Zoo is proud to be accredited by the Association of Zoos and Aquariums (AZA)—a distinction held by only a select group of zoological institutions worldwide. First awarded in 2006 and reviewed every five years, AZA accreditation reflects the Zoo's commitment to the highest standards of animal welfare, conservation, education, and guest experience.

Beyond recreation, the Zoo serves as a powerful educational and conservation resource for the region. As a Pennsylvania-approved Education Improvement Organization, Lehigh Valley Zoo provides hands-on learning experiences for more than 11,000 K–12 students each year, helping to inspire the next generation of environmental stewards.

As a 501(c)(3) nonprofit organization, Lehigh Valley Zoo connects people with wildlife to inspire conservation action. By partnering with the Zoo, sponsors align their brand with a respected community institution while demonstrating a commitment to education, sustainability, and the protection of wildlife around the world.

ABOUT THE *gala*

Align your organization with the region's leader in conservation education by sponsoring the Zoo's premier fundraising event—the Conservation Gala, presented by Kay Builders. This signature evening brings together community leaders, philanthropists, and wildlife advocates to support the Zoo's mission of inspiring connections with animals and protecting wildlife locally and around the world.

The evening begins with an exclusive cocktail reception featuring hors d'oeuvres, conversation, and unforgettable encounters with Lehigh Valley Zoo's ambassador animals. Guests may even meet a penguin while browsing one-of-a-kind auction experiences generously donated by Zoo supporters and local businesses.

During the elegant, seated dinner, guests will hear about exciting new developments at the Zoo and the growing impact of our conservation work. The live auction offers the opportunity to secure rare animal experiences available only through the Gala.

Sponsorship includes reserved seating for the evening, offering a distinctive opportunity to entertain valued clients, strengthen relationships, and demonstrate your organization's commitment to conservation and environmental education in our community.
